What are the techfrederick Games?

techfrederick is a coalition of local high tech companies dedicated to connecting local professionals by providing advocacy, education, communication and networking opportunities. The purpose and spirit of the techfrederick Games is to build a stronger sense of **Community** and **Comradery** through fun, friendly **Competition**, where one team will, alas, **Conquer!** All while raising awareness of techfrederick and the participating companies.

The Seventh Annual 2022 techfrederick Games will take place on **Friday, October 7th at Baker Park**, in the fields by the bandshell. Registration will begin at 11:00am. Lunch will be served from 11:00am-12:00pm in the gazebo. The Games will start promptly after our Opening Ceremony at 12:00 Noon. We will be closing out the day with an Awards Ceremony and Happy Hour at Frederick Social, featuring live music and presentation of the coveted techfrederick Games Trophy, which has been in residence with our 2021 Reigning Champion, Suited Rundown!

Last year, the support of our generous sponsors enabled us to host 24 teams of community professionals to compete in 7 events! More than 150 participants, volunteers, and spectators were present, for a much-needed day of community fun!

All proceeds from the event will go toward expanding techfrederick's mission to provide human resources development, high-caliber training opportunities, and pipeline development within the Frederick high tech community. In addition, we will use the event to collect donations for a local non-profit organization (to be determined) that serves Frederick County.

We hope you will support this effort to support community and care right here in Frederick!
